ServiceMaster Restore Expands in Suffolk

SUFFOLK, Virginia (November 5, 2013) ServiceMaster Restore Suffolk has recently expanded their commercial and residential restoration business. They are now located at 1924 Holland Road. To celebrate their success and expansion, they are hosting a Ribbon Cutting ceremony on November 6th at 11:30 a.m. Council Member Jeffrey Gardy will be on hand for the event, which is open to the public.

ServiceMaster Restore provides residential and commercial restoration services for water, fire and smoke damage, mold remediation, odor mitigation, contents cleaning, debris removal, HVAC/Duct cleaning and emergency board-up and tarping. They service all of Suffolk and surrounding areas and work with insurance agents, adjustors and property managers.

Co-Owner Kathy Lamm remarked, "The homeowners and businesses we have worked with in Suffolk and nearby have been wonderful. We look forward to building new relationships as we grow."

ServiceMaster will more than triple the square footage of their operations by moving into their new 7,000 square-foot building. They have added an additional three full time staff members for the franchise location, bringing the total full time personnel number to eight.

“It is terrific news when one of our existing businesses is successful and able to expand,” commented Suffolk Mayor Linda T. Johnson. “We are so pleased ServiceMaster Restore has continued to grow within our community.”

You can reach ServiceMaster Restore 24 hours a day by calling 757.925.0606.
