HOME INSTEAD SENIOR CARE EXPANDS IN SUFFOLK

SUFFOLK, Virginia (November 1, 2018) – Home Instead Senior Care has a reason to celebrate; they recently moved into a new administrative office, located at 2000 Hillpoint Boulevard North, off of Godwin Boulevard. To officially mark

their opening, they are hosting a Grand Opening – Ribbon Cutting ceremony on Friday, November 2nd, at 11 a.m. Mayor Linda T. Johnson will be on hand for the event. Caregivers with Home Instead Senior Care provide assistance to elderly patients with activities such as bathing, dressing, meal preparation, dementia support, companionship and medication oversight. The expansion brings

additional square footage and closer proximity to their growing customer base and the Obici Hospital campus.

The Suffolk franchise of Home Instead Senior Care has been owned and operated by Larry and Nell Neal since 1999. Click here for more information <https://www.facebook.com/homeinsteadseniorcaresuffokva>.
