GRAND OPENING for The Pinner House a boutique bed & breakfast

The Pinner House will host a Ribbon Cutting ceremony to officially celebrate their grand opening, 12:30 p.m., Wednesday, July 10th, at 231 Pinner Street in Suffolk, VA.

WHO: Suffolk Mayor Linda T. Johnson, Suffolk Economic Development Department and The Pinner House co-owners Allyn and Kris Brown

WHAT: The Pinner House a boutique bed and breakfast Ribbon Cutting

The Pinner House is an intimate event venue with a boutique bed and breakfast located in Downtown Suffolk. The historic building was built in the 1890's by John B. Pinner, one of Suffolk's most prominent residents. The home and grounds have been lovingly restored and decorated to provide an intimate backdrop for weddings, corporate functions and private retreats. The rooms are spacious and guests can dine in an elegant sun room with French doors or entertain al fresco under twinkling lights or an impressive grape arbor with outdoor fireplace.

Kris and Allyn Brown have operated O'Neal's Studio out of the home for over 25 years. They decided to expand the use of the building and recently opened the

doors as the Pinner House. They will continue to utilize the photography space but on a more limited basis. A public Grand Opening party was recently held.

WHEN: July 10, 2019 12:30 p.m.

WHERE: The Pinner House, 231 Pinner Street, Suffolk, VA 23434
