SUFFOLK EMPLOYER JOB FAIR TO BE HELD MARCH 19TH

SUFFOLK, Virginia (February 5, 2019) – Suffolk Economic Development will be hosting a Job Fair from 10 a.m. to 2 p.m. on Thursday, March 19th, at the Hilton Garden Inn - Suffolk Riverfront, located at 100 East Constance Road.

Suffolk Economic Development is collaborating with Suffolk Workforce Development, Suffolk Redevelopment & Housing Authority, and Virginia Career Works – Hampton Roads Workforce Council, for the event.

The Suffolk Job Fair will be open to everyone in the community who may be looking for new opportunities, seeking a career change, or wanting to learn about industries that may be a better fit for them.

The event will showcase over two dozen companies, most of them based in Suffolk. There will be a diverse mix of industries represented, including food and beverage processing, advanced manufacturing, industrial contracting, medical, administrative, technology, distribution and warehousing, and retail. Attendees will have the opportunity to interact with the companies and many of them will be hiring directly for open positions. There will also be representatives from post-secondary educators, including trade schools and research centers.

The Job Fair employers will be interested in fulfilling positions ranging from ‘no experience required’ to ‘college degree preferred’, and many offer valuable on-the-job training programs. Guests are encouraged to bring a resume and dress professionally.

There is no charge to attend the event. Registration is required for companies to reserve a table as spots are quickly filling up, and spaces are reserved for Suffolk-based companies exclusively at this point. See [here](#) for a sampling of participating companies and more information. Contact Terry Smith, Suffolk Economic Development Department, at 757.514.4045 to learn more.
