SUFFOLK, Virginia (June 8, 2016) – A new private school is set to open for the fall school semester this year. STAR POINTE ACADEMY, a high-tech, Christian-based school, is currently enrolling new students. To celebrate, they are holding a Grand Opening – Ribbon Cutting ceremony at their school on Thursday, June 9<sup>th</sup>, at 6 p.m. Mayor Linda T. Johnson will be on hand for the event. Tours will be provided following the ceremony.

STAR POINTE ACADEMY offers a STEAM (Science, Technology, Engineering, Arts, Mathematics) – focused curriculum for 4<sup>th</sup> through 9<sup>th</sup> grades. Grades 10 through 12 will be incrementally included in the program. The faith-based school offers Christian teachings along with collegiate preparation, heavy parent interaction, open learning spaces and a collaborative environment.

“We knew we wanted to offer students a well-rounded and highly technical school in Suffolk, and we couldn’t be happier to be in Harbour View,” noted STAR POINTE Principal and founder, Brena Daniels. “We believe Suffolk is exactly where we need to be to revolutionize education and grow young leaders.”

“The importance of childhood education cannot be stressed enough,” noted Suffolk Mayor Linda T. Johnson. “We wish STAR POINTE much success in making a positive impact on our students.”

Currently, there are over 70 students enrolled who will be attending from all over Hampton Roads. Enrollment is expected to grow to around 100 by opening day

this September. There are a variety of payment plans offered and they intend to offer scholarships to qualified candidates.
