Tidewater Animal Clinic Expands to New, State-of-The-Art Facility

SUFFOLK, Virginia (July 16, 2021) – Tidewater Animal Clinic has moved to its new location at 538 E. Constance Road, in Suffolk. They will officially see their last client at the former location, at 542 E. Constance Road, this week. To celebrate the expansion, they are hosting a Grand Opening – Ribbon Cutting ceremony on Saturday July 17th at 1 p.m. Mayor Michael Duman will be on hand for the event. An Open House will follow, which is open to the public, wrapping up at 5 p.m.

The new building was constructed in order to provide a larger, more enhanced space to care for pets. The adjacent move brings the highly recognized hospital to a 6,000 sf facility featuring a technologically-advanced surgery suite, a full dental suite, and an ultrasound/radiograph room. Types of care include a complete range of service for dogs and cats and occasionally, other small animals. The expert staff provide wellness programs, surgery, in-house laboratory, full veterinary pharmacy, bathing, limited boarding, and micro-chipping.

Co-owner Dr. Adam Henderson was born and raised in Suffolk and has always had an interest in helping animals. He is excited to meet a more expanded customer base now that they have more room to practice. "It has always been a dream of mine to build a practice in my hometown, and it has now become reality," noted Dr. Henderson. "We take great pride in being the industry leader on setting the standard of what veterinary medicine should look and feel like. We look forward to providing this new level of care to everyone in Hampton Roads."

“Congratulations to Tidewater Animal Clinic on their expansion,” said Suffolk Mayor Michael Duman. “We anticipate much continued success for them and their team, and even better health for our four-legged residents.”

All current employees will move to the new location and the workforce could grow as new services are added. Their hours are: Mondays, Wednesdays and Fridays 8 AM – 6 PM, Tuesdays, Thursdays 8 AM – 7 PM, Saturdays 8 AM – Noon, and Closed on Sundays. See WWW.Tidewateranimalclinic.com to learn more.
