**About Vortex Express Carwash**

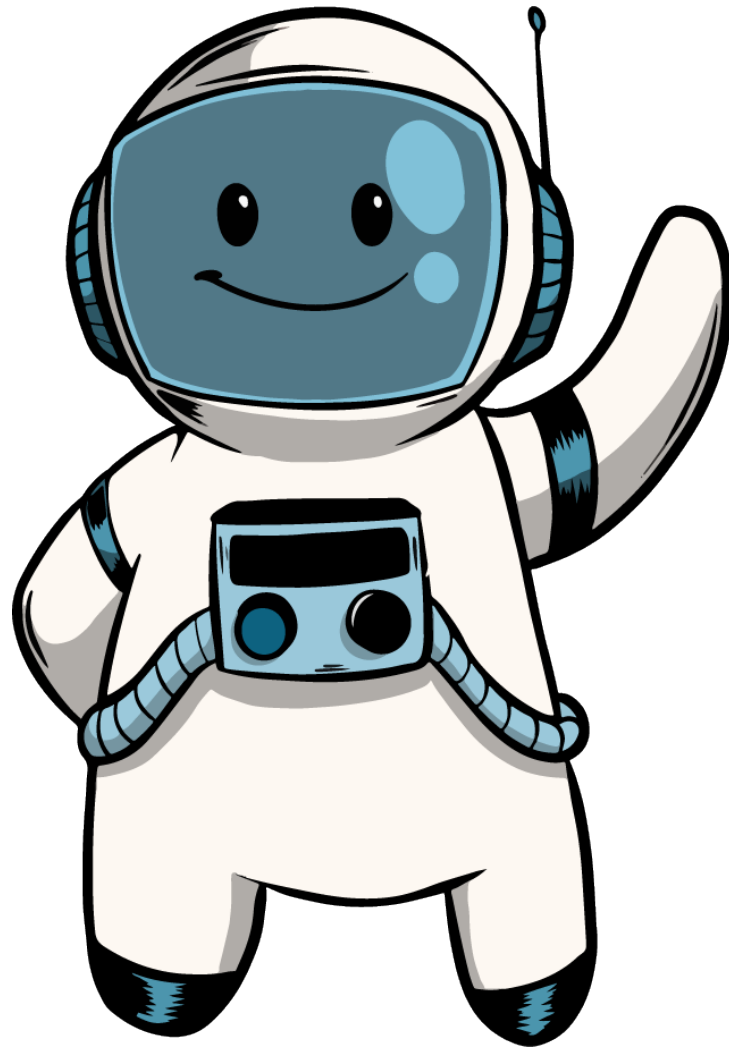

Vortex Express Carwash is a family-owned, veteran-owned small business opening its first location in Suffolk. They operate on a new-to-the-industry conveyor belt system that allows the customer to drive their vehicle on to the belt, removing the intimidation of fitting between a track and rail. The belt pulls the vehicle through a massive 135-foot tunnel enhanced with fun LED lighting. Vortex offers a Ceramic X3 Shine Coat that helps repel dust and grime and protects vehicle paint from oxidation and UV rays. The wash tunnel includes buff-and-shine brushes and a lint-free cloth buff that will make any vehicle shine.
