**CITY OF SUFFOLK ANNOUNCES OPENING OF MATHNASIUM**

**SUFFOLK, Virginia (June 28, 2024)** – Mathnasium has opened its first location in Suffolk at 5849 Harbour View Blvd, Suite 420. To celebrate their grand opening, Mathnasium is hosting a ribbon cutting ceremony on Monday, July 1 at 12:00 p.m. Mayor Mike Duman will be on hand for the event.

The learning center focuses solely on math and operates on the core belief that virtually any child can excel in the subject. The Mathnasium Method™ is a unique program that provides each child with a customized learning plan and personalized instruction in a way that makes sense to them.

“Our goal is simple: to teach math in a way that makes sense to kids, accommodating different learning styles with a variety of teaching techniques,” says Tom Seymour, Owner and Center Director of Mathnasium of Suffolk. “Now perhaps more than ever, kids need the confidence, mental agility, and problem-solving skills that come along with a solid foundation in math. Whether kids need help catching up, need to stay on track with math being taught in school, or simply enjoy math and want to get ahead, we can help each kid succeed.”

The Mathnasium Method™ is a proprietary system using a unique combination of mental, verbal, visual, tactile, and written techniques to help children really understand math and has been developed over more than 40 years of practical experience with

thousands of students. Mathnasium is among the fastest growing educational franchises, with 1000+ centers worldwide.
