These one-hour, appointment-only sessions (available between 9:00 AM and 5:00 PM) are designed to help you:

- Access both new and existing business development resources
- Learn how to do business with Virginia state agencies
- Understand the SWaM Certification process
- Explore state financing programs

**Sessions are conducted by:** Angela Barber, Business Service Manager, Eastern Virginia Region - Virginia Department of Small Business and Supplier Diversity (SBSD)

**Important Information:** Registered participants will receive an email and calendar invite confirming the appointment, along with additional session details.

**If you require technical assistance with the SWaM Certification application, please email me directly at [angela.barber@sbsd.virginia.gov](mailto:angela.barber@sbsd.virginia.gov).** These sessions may take longer than one hour and require special scheduling.
